Het wapen van Geel

Bricks and More is inmiddels onlosmakelijk verbonden met Geel. De eerste editie in 2017 werd gehouden in Ten Gard, waarna Bricks and More verhuisde naar de huidige locatie: de Thomas More Campus. Deze bouwset bevat dan ook echte Geelse elementen.

*Thomas More Campus,
Geel*

Voor het vijfde jaar op rij strijken we neer op de campus van Thomas More in Geel. Met 1000m² extra vloeroppervlak in het B-blok huisvesten we nog meer exposanten. Het spreekt voor zich dat ook ons B-blok een plekje krijgt in deze set.

Molen van 't Veld, Geel

Niet al te ver van de Thomas More Campus staat Molen van 't Veld. Met zijn bijzondere geschiedenis van verhuizingen is het één van de historische blikvangers van Geel.

Sint-Dimpnakerk, Geel

In de gotische Sint-Dimpnakerk in het hart van Geel is de legende van de Heilige Dimpna nog tastbaar. Schilderijen, kunstschaten en relikwieën vertellen haar verhaal. Een perfect middelpunt voor de miniatuurversie van Geel in deze set.

Brick

Dit is Brick, onze mascotte van Bricks and More. Je herkent hem aan zijn blauwe broek, rode trui en groene pet. En zijn brede glimlach natuurlijk, want hij is in Geel weer van de partij. Misschien kom je hem daar nog wel tegen.

Heilige Dimpna van Geel

De Heilige Dimpna is onlosmakelijk verbonden met Geel. Volgens de legende eindigde de vlucht voor haar vader in Geel, waar ze werd begraven. Dimpna is patrones van geesteszieken en beschermheilige tegen krankzinnigheid. Uit deze devotie is de bijzondere gezinsverpleging voor psychiatrische patiënten in Geel ontstaan.
